## **Master of Ceremonies Package**

In addition to everything in our Showtime package, we provide Master of Ceremony services that include announcements during the wedding procession/entrances, special dances (bride and groom's first dance, father/daughter dance, mother/son dance), toasts, bouquet and garter toss, cake cutting and any other special event occurring during the reception.

We work closely with you in the months leading up to the date to draw up an itinerary, coordinate announcements, and go over any special needs for the day so when the date arrives everyone is prepared and the newlyweds can relax and enjoy the reception.

We offer to learn up to 5 songs that the bride and groom or guests want to hear. This includes any of the music for the special dances (bride and groom's first dance, father/daughter dance, mother/son dance), bouquet/garter toss and cake cutting or any song that you or your guest feel they just HAVE to hear.

We can also do a bit of limited DJ'ing through our premium sound system. This is essential when the couple wants to hear a certain version of a song or a certain type of music during breaks.

### **Additional Options:**
